

## INFORMATION FOR CHANGING THE NAME OF A COUNTY HIGHWAY

A request for a name change shall be accompanied by a reason for the change. The acceptable reasons are:

1. To eliminate duplication
2. Existing name is misspelled
3. Existing name is difficult to pronounce and is often mispronounced
4. The existing name is similar in sound or spelling to another County highway name and has or could cause a problem of location.

In order for this Department to consider changing the name of a county highway, the selected name must not be in duplication of any other name presently in use in the County of San Diego, must not be similar in spelling or pronunciation to another street name, should avoid being a person's name, and should meet with the consensus of the majority of the property owners having legal rights of ingress and egress over the road in question. Initiating person must have legal ownership of property on highway. All property owners should be contacted and encouraged to sign the petition.

Adequate maps drawn to scale must be submitted; these maps shall:

1. Clearly show the precise location, width and length of the road.
2. Show any portion of the road extending beyond the subject property.
3. Show the names of the owners of all affected properties listed on the parcels.
4. Show the location of the driveway of any existing or proposed residences.

To assist in selection of a recognized name, we are including a petition form on the back of this sheet. Initiating persons can circulate the petition and secure all signatures of property owners. The petition form should then be forwarded to this Department for processing and hearing date will then be set by the Director of Planning and Land Use.

Notices will be posted along the highway not less than ten calendar days prior to the set hearing date.

Processing fee of \$1,520.00.

The initiating person must contact the Department of Public Works, Traffic Section, 5469 Kearny Villa Road, Suite 201, San Diego, California, 92123 (858-874-4040), so that necessary funds can be deposited to cover the costs of sign changes.

If you have any questions or require additional information regarding street naming or to reserve a name, please contact the Street Names Section at (858) 694-3797.

Department of Planning and Land Use  
5201 Ruffin Road, Suite B
